

Prof. Endre Szili
Future Industries Institute, University of
South Australia, Australia

Endre J. Szili is a Research Fellow at the Future Industries Institute, University of South Australia. He completed his Bachelor of Biotechnology (Honours) and Ph.D. in Chemistry (Dec 2008) at Flinders University. His research interests are in the fundamentals and applications of plasma technologies for addressing health and environmental challenges. He currently serves as an Associate Editor for IEEE Transactions in Radiation and Plasma Medical Sciences, on the Editorial Board for Journal of Physics Communications, and Advisory Panel member for Journal of Physics D: Applied Physics. In 2020, he was awarded a Future Fellowship by the Australian Research Council. When he is not in the lab, he is a keen home beer brewer, fisherman and conservationist, and he enjoys spending time on his hobby farm with his friendly flock of chickens.
